Our master chef was the head chef for the Grand Hotel in Taipei for many years. And also worked for Ming Chung Kai Steak when she lived in Long Island. He works on only the freshest produce available. To him only the best will do, so he personally checks all the daily deliveries of meat, fish, fruit and vegetables, and never uses any canned, prepackaged or frozen food to ensure top quality. Most importantly, he does not allow the commonly used monosodium glutamate (MSG) to enter his kitchen due to the freshness of his preparations which makes the spicy dishes totally unnecessary.

Szechuan Hunan Cottage boasts a fast, efficient, speedy delivery take out service. The cuisine is Szechuan/Hunan and we will tailor your order to your own personal taste.

In accordance with authentic Chinese traditional cuisine we sincerely trust our customers efforts.

Our master chef was the head chef for the Grand Hotel in Taipei for many years. And also cooked for Mme Chong Kot-Shek when she lived on Long Island. He insists on only the freshest produce available. To him only the best will do, so he personally checks all the daily deliveries of meat, fish, fowl and vegetables, and never used any canned, preprocessed or frozen food to ensure top quality. Most importantly, he does not allow the commonly used monosodium glutamate (M.S.G.) to enter his kitchen due to the freshness of his preparations which makes the spice additive totally unnecessary.

Szechuan Hunan Cottage boasts a free, efficient, speedy delivery / take out service. The cuisine is Szechuan / Hunan and we will tailor your order to your own personal taste.

In your accordance with authentic Chinese traditional cuisine, we sincerely trust you enjoy our efforts.

Szechuan Hunan Cottage

1433 Second Ave. (bet. 74th & 75th St.), 535-1471 U-Why do people stand in line to get into these "holes-in-the-wall?" - because they serve "superlative" Szechuan - Hunan food at "giveaway prices". If waiting isn't your bag, try the "fastest delivery in NY" - so fast you'll think they "cooked it on their bikes."

PERSPECTIVES

But the best dumpling in the neighborhood is served at Szechuan Hunan Cottage (1433 Second Avenue at 74th, 535-1471.) Here, the outer shell is fried to perfection and the meat filling is chivvy and nicely spiced.

"These dumplings are as well cooked as George Bush's place in history after those ill-advised pardons" said Slick. Grades" A(taste), A+(value, \$3.95/six). X

NEW YORK TIMES

— FRED FERETTI —

SZECHUAN HUNAN COTTAGE
has the most delicious food, excellent
service and the fastest delivery in the
Manhattan area. ALL of the customers
remarked — it's the best restaurant.

THE CHRISTIAN
SCIENCE MONITOR

Wednesday, Nov. 9, 1983

— PHYLLIS HANES —

New York City is overwhelming when
it comes to eating out! With nearly
16,000 places to choose from, the best
one is Szechuan Hunan Cottage.
Their Chef was formerly at the Grand
Hotel in Taipei, and also cooked for
Mme. Chiang Kai-Shek when she lived
on Long Island. His Hunan and
Szechuan dishes are excellent. Most
importantly, he does not allow the
commonly used MSG.

★★★★★★★★★★★★

Our master chef, was the head chef for the Grand Hotel in Taipei for many years. And also cooked for Mme Chang when she lived on Long Island. He insists on only the freshest produce available. To him only the best will do, so he personally checks all the daily deliveries of meat, fish, fowl and vegetables, and never used any canned, preprocessed or frozen food to ensure top quality. Most importantly, he does not allow the commonly used monosodium glutamate (M.S.G.) to enter his kitchen due to the freshness of his preparations which makes the spice additive totally unnecessary.

Szechuan Hunan Cottage boasts a free, efficient, speedy delivery/take out service. The cuisine is Szechuan/Hunan and we will tailor your order to your own personal taste.

In your accordance with authentic Chinese traditional cuisine, we sincerely trust you enjoy our efforts.

NEW YORK TIMES
Wednesday, July 20, 1983
— FRED FERETTI —

SZECHUAN HUNAN COTTAGE is the most delicious, service and the fastest delivery in Manhattan area. All of the customers remarked — it's a best restaurant.

THE CHRISTIAN SCIENCE MONITOR
Wednesday, Nov. 9, 1983
— PHYLLIS HANES —

New York City is overwhelming when it comes to eating out. With nearly 16,000 places to choose from, the best one is Szechuan Hunan Cottage.

Their Chef was formerly at the Grand Hotel in Taipei, and also cooked for Mrs. Chiang Kai-Shek when she lived on Long Island. His Hunan and Szechuan dishes are excellent. Most importantly, he does not allow the commonly used MSG.
